

Scott Stralka
Principal 6-12
School District of Bayfield
Report to the Board
November, 2012

October 23-Nov 22: This is the window for our WKCE test administration. Schedules have been developed and administered. A parent letter explaining the WKCE and the important steps to prepare for this was sent during the week of October 15. Our Kindergarten class participated in the PALS (Phonological Awareness Literacy Screening assessment) from Oct. 15 - 19. The purpose of PALS-K is to provide a direct means of matching literacy instruction to specific literacy needs and provide a means of identifying those children who are relatively behind in their acquisition of these fundamental literacy skills.

PBIS: Our pbis coach Mrs. Eid has been working diligently with our K-12 staff on our process as we continue to implement our school wide expectations. PBIS banners and posters have been put up throughout our building in key locations indicating our Strive for Five expectations for that area. Data concerning our student behavior for this year is provided for the elementary and secondary schools.

November 12 – 13: Parent/Teacher Conferences will be held in the evening from 4:00 – 7:30 p.m. Report cards, PBIS information, and STAR assessment data will be provided for our parents.
