

School District of Bayfield

Board Report

Sandra J. Raspotnik
Director of Special Education/Pupil Services
Elementary Principal
March 8, 2017

We have been working with Red Cliff Early Childhood Center and the Bayfield Family Forum to plan for the the 2017-2018 kindergarten students. The following are dates and activities that are being planned.

March 16th-Parent/Pre-School Students Pizza night 5-6:30 cafeteria, library, gym

March 22-23-Kindergarten Enrollment and Exploration Day

April 25- ECC and Family Forum bring students to visit at school 9:30-10:30

May 5-Parent/Pre-school student invited for lunch and recess 10:50-11:50

May 16-Kindergarten teachers visit ECC 8:30-11:30

August 7-10 and 14-17- Summer Kindergarten Readiness

There are about 12 offerings that have been suggested for the summer school program. We are looking at the following dates: June 12-15 and 19-22 and August 7-10 and 14-17. Along with the Kindergarten Readiness program, we are looking at offering a First Grade Refresher for the current kindergarten students.

We had the K-5 Pow Wow on March 3rd. It appeared that more and more of the students are participating in the dancing. They enjoy the regalia that is available for them, thanks to Lorie Erickson.

We will be working on the scheduling for the Forward Exam. The window for testing is March 20- May 5th. With the addition of computer carts in the elementary, it will be somewhat easier to schedule the testing. We are looking to bring in some additional adult support during the testing time so that we are able to keep the students focused and on-task during the testing period.

With the assistance of Ron DePerry we have been able to go through the Red Cliff Wellness program and determine what materials are needed. We have been working with Printing Plus and should have the materials ordered and printed soon.
