The School District of Bayfield Board of Education has consolidated its committees and will operate as a Committee of the Whole during open sessions, except when state statutes permit closed sessions. A majority of Board members may attend these meetings. The Committee of the Whole is designed to promote detailed discussion, collaboration, and consensus-building on important district matters prior to formal decisions at regular board meetings. While no binding decisions are made in these sessions, the committee may develop consensus positions or recommend actions. All recommendations must be presented at a regular or special board meeting for official consideration and a vote.
