### Supportive Climate:

Veteran's Day Program was held on November 11th. Red Cliff VFW and Bayfield Coast Guard members were both active in the ceremony, with U.S. Navy (Retired) Boatswains Mate Senior Chief David Curran as our Master of Ceremony.

### Effective Communication:

Met with Kathryn Jenkins, Youth Outreach Educator from Northland College, to begin discussing how to utilize her program with our middle school students. It would be a ten day "reconnect with nature" summer program using Wilderness Therapy. She also assists the Apostle Island School Program, and at a cheaper cost this year.

Planning has begun with Regina LaRoche-Theune in regard to Civil Rights and MLK Jr. Day events the week before MLK Jr. Day. Regina will be sharing ideas with staff at December staff meetings.

Mercie Gordon met with me to discuss future partnerships with GLITC and the school in regard to nutrition. She would like to attend the Wellness Committee meetings to introduce herself and her role as the Nutrition Coordinator.

### Use of Data & Resources:

School Report Cards were released to the public. High school report card increased in overall score significantly. High school was at Meets Expectations. Middle school score dropped to Meets Few Expectations.

### Attendance:

Successful Parent/Teacher conferences were held. Middle School had an overall 59% family attendance. High School has 57% overall family attendance. We now have a base number to work on improving future attendance.

Middle and high school staff have been internally covering for one another for meetings, during substitute shortages, and other emergency situations. It is appreciated and has helped keep our substitute costs lower.
