Category	4. Administrative Reports
Subject	4.4 February 2020 MS/HS Principal Report
Type	Information, Reports

Academic Achievement:

Eleven students successfully took the Armed Services Vocational Aptitude Battery (ASVAB) test.

Received word that one of our students was nominated and selected as an Elk's Student of the Month.

Supportive Climate:

Middle school outdoor field trips, ski days, have been successful.

Work time was given to staff on 1/20/2020 for EP/SLO/PPG mid-year review. Staff were very appreciative of this valuable commodity, time.

Effective Communication:

Working weekly with staff on creating a seven period day schedule for 2020-2021. Student needs is the driving factor. Goal is to keep, if not add, electives available to students and to fit into a workable schedule.

Use of Data & Resources:

Two guest speakers are planned for February. Community partnerships, one with Northland College and the other with Red Cliff Family Violence Prevention program. Anti-bullying and Teen Dating are the two topics to be covered.

Safety Checklist was completed and submitted to Wisconsin DOJ.

Attendance:

Four high school students have surpassed the mark that will negatively affect our school report card in the future. Twenty-two are on staff's radar to continue closely making connections to avoid crossing that level of absences. Athletes have been making strides to follow policy of attending school the full day of events and being on time the day after events.
