**Building & Grounds Report**

Dave Weber

- Over spring break, cabinets will be installed in Room E214. Cabinets were purchased last fall.
- Rice Lake Glass will be here over spring break to install new gym doors on northwest side of gym. The doors will be all metal with no glass. This is part of the safety lock system.
- Lupino Construction will be here over spring break to install new vent covers in commons and cafeteria areas. The old covers are broken and rotten.

Transportation and Vehicles

- Rear window glass replaced in bus #003.

Safety and Crisis Management

- Fire drill on February 25th went well.
- There was a second fire alarm on February 25th. Rick Erickson was melting wax in classroom. It happened at about 2:50 pm. Called fire department to cancel. The system worked like it is supposed to, which is good!

Planning and Projecting

- We met with John Gerzina from DSGW Architects, about building assessment and roofing projects.
- We met with Johnson Control to get some kind of cost for new heating and cooling system for high school, middle school and elementary areas.

Staffing and Personnel

- Crew working hard.

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is a time for public participation during the meeting as indicated in the agenda.
