### Updates and Changes

We are still in Phase 2 of our reopening. Memberships have reverted back to their pre-Covid prices, but members may keep their memberships on hold if desired. The pool is open for lap swim only. Cardio/weight equipment is available. Our machines are spread through the fitness room and racquetball court, and we are taking reservations for lanes/areas/times to aid in social distancing. Classes were held at the Bayfield Pavilion but will not be during August. No sauna/hot tub/open swim available until Phase 3. Ages 14+ allowed in facility as those are the ages allowed to use fitness equipment. Exceptions will be made for those under 14 to attend specific programming such as private martial arts lessons or Youth CPR Certification.

Aspire Martial Arts group classes are cancelled at this time.

We will begin offering socially distanced Parent/Child Swim Readiness, and a scheduled, socially distanced Family Open Swim in September. We hope to resume socially distanced Red Cross Swim Lessons in October.

We are currently hiring lifeguards!
