Academic Achievement:

STAR assessment has begun this week.

One early graduation at semester. Congratulations to Ezra Klinger!

Supportive Climate:

Ms. Micaela Hall was chosen as Ashland Daily Press's Teacher of the Month. She is a true asset in our Math classroom and on our Middle School team.

Internal support for hallway monitoring and lunch supervision to make sure students are safely going from Point A to Point B. Many high school staff have opened their rooms for students to socialize immediately following lunch.

Good luck to Greta Thiel heading to the state ski meet.

Effective Communication:

Small team meeting weekly to determine groups (A, B, virtual, and Educere). Group A is reaching maximum capacity in regard to being able to social distance in classrooms and shared space (lunchroom). Group B is still able to accommodate numbers.

Swanson met with middle school classes to discuss expectations, especially new COVID expectations. Students have been 100% following mask rules.

Use of Data & Resources:

Frontline Health app is becoming routine for staff.

Attendance:

ACP check-ins have improved.

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is a time for public participation during the meeting as indicated in the agenda.
