

## Agenda Item Details

Meeting	May 17, 2021 - School Board Meeting Agenda
Category	4. Administrative Reports
Subject	4.8 Bayfield Rec Center Report
Type	Information

### Updates and Changes

- The Board of Directors has voted to rescind the requirement for proof of Covid vaccination.
- The pool is open for lap swim, and for a family open swim on Monday and Wednesday evenings 4-5:45, and Saturdays 10:15 -1:45pm. For the family open swim, the pool is divided into 4 sections to ensure social distancing with a lap lane down the middle. Families can reserve a half hour slot in a specific area.
- Cardio/weight equipment is available. Our machines are spread through the fitness room and racquetball court, and we are not requiring reservations for this area as visits have not been excessive for the space and hours available. No sauna/hot tub available until Phase 3, mostly due to the expense of heat and chemicals for the hot tub and concerns about the small space of the sauna.
- We hope to resume socially distanced Red Cross Swim Lessons in the future.
- We will have limited North Coast Community Sailing classes this summer, beginning in July, but have not finalized our schedule yet.
- We are currently hiring lifeguards, Silver Sneakers instructor, front desk staff and North Coast sailing staff!
