Type	Action (Consent), Information

Academic Achievement:

Grades were entered and finalized by last day of school. Report cards will be mailed out by 6/18. Virtual year ended on June 8th.

Supportive Climate:

Many community agencies, including J.O.M. Committee, Red Cliff Council, and LCO Community College, attended graduation practice to speak to graduates and to share community gifts. Gerald DePerry also spoke to class about the 30th year of the passing of his son. Ceremony was held at the Big Top Chautauqua and was a huge success. Huge thanks go out to all the departments that worked side-by-side with the Big Top staff to make that a reality for this year's senior class. Diploma acceptance photos will be mailed out by office assistant summer workers by 6/18. High school freshmen Jump Start will be held August 16th. Middle school ended their year with the annual kick-ball tournament...no injuries this year to any staff!!

Effective Communication:

Scheduling is complete for high school. Troller Times and intervention/enrichments will be reviewed with J. Johanic over the summer.

Middle school promotion ceremony was held June 9th. All safety protocols were put into place.

Vaccination clinic for eligible students went smoothly.

UW-Platteville administration shared vision of collaborating with Bayfield District next fall.

Use of Data & Resources:

Internal staff covered for the large amount of May and June absences. Chi miigwech to all the MS/HS staff that jumped in to help with coverage.

Attendance:

Attendance in general was higher overall compared to other years. I believe the shortened day may have been a factor, but we will continue to collect and compare data as we come out of working in a pandemic year.

Chi miigwech.
