Meeting	Jul 19, 2021 - School Board Meeting Agenda - Revised
Category	4. Administrative Reports
Subject	4.4 July 2021 MS/HS Principal Report
Type	Information

Supportive Climate:

An inservice calendar has been a work in progress. Final inservice schedule will be completed prior to August staff return. Mandatory trainings will be part of the beginning of the year trainings. I attended the symposium for Free Speech in Wisconsin High Schools, sponsored by UW-Madison. I have signed up to receive future workshop information for our district's Social Studies teachers.

Effective Communication:

New Wisconsin Educational Opportunity Program (WEOP) Education Specialist will be meeting with all middle school students and select high school students on Tuesdays during the 21-22 school year.

Use of Data & Resources:

All Frontline Professional Growth evaluation accounts have been finalized and rolled over to 21-22 school year. New staff will be added by 8/15/2021. I have attached a jpeg of the online walkthrough form that is used. This form was developed by teachers identifying the most important "look fors" in classroom observations.

ACT/Aspire/Forward/STAR data should be available by August meeting for viewing. No data in WiseDash Local for 20-21 school year.

Attendance:

Attendance data has been attached to show improvement from previous years' attendance. The pandemic did create data that may not be comparable due to a variety of factors, including online learning, hybrid, and switching to a modified/shortened school day.
