Academic Achievement:

Middle school and high school have been recognized The Wisconsin RtI Center for our work implementing equitable, multi-level system of supports (EMLSS). We received silver for reading and math, and a bronze for behavior.

Supportive Climate:

Scope & sequence and a month-by-month Native American Studies and Ojibwe Language plan is being developed for the K-12 classes.

Effective Communication:

August Inservice trainings have been scheduled with time set aside for teachers to prepare classrooms.

Staff supervision lists have been compiled for the school year.

I've been contacted by International Fellowship that the high school may have a student from Spain living in our district for the school year. Plans are being worked out with a family on the island to host.

M. Hall will be moving to the Math Intervention position. Interviews and committee recommendation will be presented to board. B. Cozzi moved to a co-teacher position. Interviews and committee recommendation will be presented to fill that empty position tonight. I'd like to welcome Muskadee Montano in the role of Tribal, Community, and School Liaison.

Use of Data & Resources:

Educator Effectiveness has been completely rolled over. New staff will be added after tonight's approval and the SLO/PPG evaluation process will be set for 2021-2022. Administrators have been added. Dates set for year are October 31, 2021 goals set and reviewed; March 1, 2022 mid-year reviews completed; and, June 1, 2022 completed for school year.

I attended the b.e.s.t. universal screening with a small team on July 28th and 29th. Counselors have been learning and planning to bring this program to our district.
