## Dean of Curriculum and Instruction Monthly Report

Date: July 11, 2022

There is not a lot to report on for this month. I am still just getting my feet wet.

On the first week I completed the following tasks:

- Set up many different accounts
- Applied for my WI Teaching Certificate
- Registered with DPI as the new District Assessment Coordinator
- Met with Joyce from NWEA about MAP training on 8/29. The plan is to have two 3 hours sessions. The first session will be for K-5 teachers and the second session for 6-12 teachers. Decisions still need to be made about having support staff attend.
- Worked with Josh to post internal job postings for PBIS and RtI coaches. The following positions are open
  - High School RtI Coach
  - School PBIS Coach
  - Middle School PBIS Coach
- Made contact with Emily at the Cable Natural Mobile History Museum. Will work with K-5 teachers in September to organize dates. They are in person again, which is very exciting.
- Registered for the PBIS/RtI conference in August. Beth Dahl is also attending.
- I am waiting to get access to ACT PAnext portal to get ACT scores. As of right now, I do not have permissions. Beth Papp should be able to get that for me.
- Met with Stephanie Lewis on 7/7 to discuss many different topics. Here are just a few things we talked about
  - b.e.s.t
  - Campus Interventions portal
  - Mentor program for new teachers and Paraprofessionals
  - PBIS/RtI
  - Academic Career Planning/Zelo
- I hope to meet with Beth Papp the week of July 11<sup>th</sup>.

Next month I hope to have more information to share, for example, ACT data. In July I will focus on defining my role and educating myself on all the different programs and procedures. Josh, Randi, Chris, Keely, Stephanie, and Stevie have all been a great help.
