Athletic Code readings were completed on Monday August 1 at the Red Cliff Boys & Girls Club, and on Monday, August 8 at the Bayfield School Commons.

Practice for the Fall sports Cross Country, High School Girls Volleyball and Middle School Girls basketball will begin on Monday, August 15th. Every athlete who is participating in Fall sports must have completed their biannual physical or alternate year card.

In September, I will begin sending Bayfield Athletics monthly newsletters to all of the district families. This newsletter will contain sports schedules, deadlines, athletic achievements of our competing athletes and any other pertinent information that relates to Bayfield sports.

The Indianhead Conference Constitution was updated for this school to include a new policy for fans who are ejected from any sports competition. The first ejection will include a mandatory 3 game/match suspension. If a fan is ejected a second time, the suspension will be for the entire season.

Respectfully submitted,
Ron Borchers
