Dean of Curriculum and Instruction Monthly Report

Date: August 5, 2022

Below is a list of items I have been working on or completed since my last report.

- Continued to set up many different accounts and make connections with contacts for curriculum providers, DPI, and CESA.
- Digital materials have been purchased for IXL Learning and 7 Mind-Sets.
- Mystery Science materials have been ordered.
- An email was sent to all instructors inviting them to meet with me to start building relationships. These relationships are important when it comes to coaching.
- I met with a MS/HS teacher and a 1st-grade teacher. We had productive discussions about the curriculum and what they need help with. I look forward to many more conversations in the coming weeks.
- The MS/HS and ES principals and I met to discuss many different topics, and both of them were extremely helpful in answering my many questions and letting me know how I can support them and their teachers.
- In the next couple of weeks, mentors for new teachers will be organized.
- The PBIS Conference is August 8-10. I will attend the following sessions:
 - *Strengthen Your Tier 1 PBIS System: Use the Tiered Fidelity Inventory (TFI) to Guide Implementation*
 - *Six Features that Guide Effective Tier 2 Implementation*
 - *Who's at the Table and What are the Rules? Equity Starts with the Leadership Team*
 - *Keynote Reflection and Accountability Space for White Educators*
 - *Disrupting Inequitable Systems, and Designing Equitable Systems*
 - *Beyond Intention to Impact: Purposeful Examination of Effective Family Engagement Strategies*
- I still need to connect with Josh about the internal job postings for PBIS and Rtl coaches. The following positions were posted
 - High School Rtl Coach
 - School PBIS Coach
 - Middle School PBIS Coach
- I have access to the different report portals, for example, WISEDash and ACT. Once scores are made available to the public information will then be shared with the Board.
- Forward exam results were delivered to the school Administrative assistants to mail out to families.
- ACT Aspire scores were sent to the HS counselor.
