Meeting	Sep 22, 2022 - Regular School Board Meeting
Category	3. Administrative Reports
Subject	3.9 Dean of Curriculum and Instruction Report
Type	Information, Reports

Dean of Curriculum and Instruction Monthly Report

Date: September 15, 2022

Below is a list of items I have been working on or completed since my last report.

- Staff has been reaching out to me with curriculum questions, and I am supporting them the best I can.
- The following curriculum was submitted for purchase
 - Additional Envision Math workbooks
 - Reboot for four teachers
 - FastBridge for Special Ed
 - Digital materials for ELA are in the process of being reviewed. I am waiting for confirmation from teachers who will be using it.
 - Sources of Strength SEL curriculum for Dan Livingston
- Mystery Science kits have not yet arrived, they are on back order. The expected arrival is mid-October
- The Cable Natural History Museum will be at Bayfield Elementary from October 18-19. Teachers are signing up now.
- The following teachers and I have met to discuss curriculum and instruction. I plan to create a schedule for October and November to meet with all teachers.
 - Cathy Smith
 - Katherine Rakowski
- Cathy Smith and I hope to attend a PD on Financial Literacy in October. It is required for graduation and the conference will provide us with curriculum and instruction support.
- I am organizing a group to participate in the career readiness community of practice conference through the DPI. The conference is free and there is a limited amount of \$1000 stipends available for teachers, to be used for time meeting monthly to develop action plans. There are a total of 6 meetings throughout the school year. The conference fits in well with our strategic plan.
- The district assessment dates have been set for the 2022-2023 school year.
- MAP testing for the Fall will be September 19th -October 7th. The test will be given to all student's grades K-12 in ELA and Math. A quick guide has been created to help support teachers with test administration and I will be available to support them for the 3 weeks.
- The New Teacher Mentoring program is up and running. The teachers were provided information to register for CESA sponsored training. Our first-year teachers attended. I will start to follow up on progress in the coming weeks.

- I trained two SPED teachers on using Newsela with their students.
- I still need to find a High School PBIS Coach. I have sent out a couple of emails, but received no responses from teachers. I will keep trying to find someone.
- Interviews were conducted on Thursday, September 15, 2022, for the positions listed below. We had 1 applicant for each of the positions.
 - High School RtI Coach
 - Middle School PBIS Coach

Respectfully Submitted by
Colleen Beagan
Dean of Curriculum and Instruction

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is a time for public participation during the meeting as indicated in the agenda.
