We had to cancel our Girls High School Basketball season due to low numbers and lack of interest. We had five girls participating but practice usually consisted of 2 or 3 players consistently. In hopes of improving our feeder program, we will start a basketball program for elementary students grades 3-5 starting in January. Details will be made public when a schedule is determined.

The high school boys basketball team has had to cancel several JV games due to injuries and ineligible players.

The Middle School boys concluded their season on Thursday, December 8 at Ashland. The program had more than 30 boys participating on a consistent basis.

Middle school volleyball begins on Monday, January 2. Lindsay Larson was hired as the new middle school coach which will be official after Board approval.

We must make a decision whether or not we will have a girls softball team by January 1. I will meet with Beth Paap to discuss what needs to happen to have a softball season.

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is a time for public participation during the meeting as indicated in the agenda.
