

Agenda Item Details

Meeting	Feb 27, 2023 - Regular School Board Meeting
Category	3. Administrative Reports
Subject	3.3 Buildings and Grounds
Type	Information, Reports

Buildings and Grounds Report

Prepared by Joel Shilman

Jan 23/Feb 23

Buildings and Grounds

- Classroom and space cleaning
- Transfer switch for back-up generator has failed.
- Snow removal
- Working on a 10 year B&G maintenance plan.
- Will move forward on construction projects if approved after 2-27 SB meeting

Transportation and Vehicles

- Working with AD on sports transportation scheduling.
- Activity bus runs have been a challenge with the amount of students and the distance/areas covered. We are now tracking the mileage of each trip to determine cost.

Safety and Crisis Management

- Monthly and weekly safety checks at Bayfield and LaPointe

LaPointe School/ School District of Bayfield

- John Gerzina from DSGW provided a concept drawing addressing ADA compliance. John will provide a cost estimate for the project.
- Basement classroom cannot be used due to the area not being sprinkled. Where windowless floor levels are found, they have been under automatic fire sprinkler requirements since December 1, 1986 in Wisconsin commercial building code ILHR/COMM 52.012(1) provision. Current code in IEBC 1012.2.1 & 1004.1 will require automatic fire sprinkler design for that basement to become occupied by students as a change of occupancy or use.
- Snow removal

Thank you for your support and guidance,

Respectfully,

Joel Shilman

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is a time for public participation during the meeting as indicated in the agenda.
