### **Human Resources** - *Strategic Priority - District Excellence*

- Opening for a special education teacher of Intellectual Disabilities continues to be posted for the 2023-2024 school year. Currently have two applicants and plan to schedule interviews in the beginning of April.

### **Special Education** - *Strategic Priority - Student Success & District Excellence*

- Bayfield School District is scheduled to participate in the Indicator 8-Family Engagement Survey. January 18th, IEPs were locked so DPI could roster our students on the 20th, with the survey window open from mid-January through June 30, 2023.
- "The Indicator 8 Family Engagement Survey is one of Wisconsin's [State Performance Plan \(SPP\) improvement indicators](#). Indicator 8 identifies the **percent of parents with a child receiving special education services who report that schools**

***facilitated parent involvement as a means of improving services and results for children with disabilities.*** In Wisconsin, Indicator 8 is a cyclical indicator measured by a family engagement survey that local education agencies (e.g. school districts) must send once every five years to every parent in their district whose child is receiving special education services ages 3 through 17."

- As of 3/20/23, 109 IEP/evaluation meetings have been held since the start of the school year. Thirty-two initial special education referrals that have been received. The district currently has 115 students with IEPs.

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is a time for public participation during the meeting as indicated in the agenda.
