### Dean of Curriculum and Instruction Monthly Report

Date: June 9, 2023

- The MOU and Teacher agreements for the Collaborative Classroom Pilot have all been signed. Grades 3-5 will pilot Being a Reader, Being a Writer, and SIPPS (Intervention). Grades K-2 will pilot SIPPS. The materials have already arrived, which allows teachers the opportunity to start reviewing them over the summer.
  - I was able to get the cost for all coaching and PD under \$10,000 and Collaborative Classroom is providing us with a complimentary 1-day in-person visit, which is extremely generous.
  - Our dedicated coach has experience working with smaller districts and has spent time with teachers Creating a plan for starting the process of developing updated scope and sequence for all CORE curricula, specifically 5-12. This will be a multi-year project.
  - Start the development of a PD process. It is important that information learned is brought back to all staff, implementation process developed, reflection, and outcomes.
  - Assessment Calendar
  - Adding monthly meetings to the calendar for the entire school year. This will allow team members to better plan their schedules.
  - For right now, that is the list.
