3) Fountas and Pinnell (F&P)

Grade K-5 teachers have completed the spring F&P running records with their students. Most students are making good progress towards grade level benchmarks as you will see in the End of Year report.

**Due to small class sizes and to protect student privacy I have shared LaPointe's F&P Data in the executive section.*

2) NWEA Measures of Academic Progress (MAP)

Grade K-5 teachers have finished administering our spring universal screener, MAP, for math and reading at the end of . I have included three different report types for the board to look at and discuss:

- NWEA MAP Growth (K-5 Fall to Winter)
- NWEA MAP Achievement (K-5 Fall to Winter)
- NWEA MAP (Spring Drill Down by Grade and Instructional Area).

Our ultimate goal is to have each student meet or exceed their MAP Growth Goal and to achieve at the 61% or above which will roughly equate to Proficient or Advanced on the WI Forward Exam.

I will be able to discuss any or all of the MAP reports included in this board report if you would like explanations.

**Due to small class sizes and to protect student privacy I have shared LaPointe's NWEA MAP Data in the executive section.*
