Dean of Curriculum and Instruction Monthly Report

Date: July 6, 2023

- The Collaborative Classroom PD plan has been finalized. Teachers in grades 3-5 will complete the Being a Reader training during August Inservice. SIPPS (Systematic Instruction in Phonological Awareness, Phonics, and Sight Words) training for grades K-5 will also be during August Inservice. The dates are confirmed with Collaborative Classroom.
- I will be meeting with Amanda Trautt on July 24th to look over our eMLSS system and start looking at what we need to change and improve. This is just the start of what will be a continuing process this next school year.
- Stephanie and I have created a team that will participate in the *Comprehensive School Mental Health Academy 2023-2024*. It is a yearlong workshop that will help promote a positive school climate, social-emotional learning, mental health, and well-being.
- An email was sent to a group of teachers to invite them to *Untying the Knot of Trauma: You are the Intervention*. The conference is on August 16 & 17. I have heard back from three staff members who are interested.
- The state-required CTE data has been entered into Infinite Campus.
- Our ACP/Career Readiness plan was submitted to CESA 12. The presentation will be at the July meeting.
- Xello will be back next year in grades 6-12. I have completed a draft schedule for the school year. Karla, Laurelei Moore from WEOP/Gear-Up, and I will be facilitating most of the lessons. Teachers will be responsible for facilitating some as well, but I will be there to support them. Karla and I will be attending a Xello training to learn more, we want this to be a successful initiative.
- The 2023-2024 assessment schedule is started, but still a draft. I am still mulling over some of the dates 😊 Once it is complete, I will share it with the Board.

- Act 30 was passed in 2021 and requires Holocaust and other genocide studies to be taught in Grades 5-12. I will be attending a 3-day virtual conference July 18-20 to educate myself on expectations and listen to some amazing speakers. I did send invitations to teachers in grades 5-12. I have taught a course on the Holocaust, but look forward to learning more.
- On Friday, July 7th I am attending a cultural event on Madeline Island sponsored by Red Cliff and Bad River. I am really excited about this opportunity.
- July projects are New Teacher Mentoring Handbook, getting monthly meetings on the calendar for PBIS/RtI team, mentoring team, and curriculum scope and sequence meetings.
