

**Agenda Item Details**

Meeting	Dec 15, 2025 - Regular School Board Meeting
Category	3. Administrative Reports
Subject	3.8 Athletic Director Report
Type	Reports

With Middle School basketball ending on Dec. 11th we currently only have High School Basketball going. With January right around the corner Middle School Volleyball starts up right after break and in my eyes it's the craziest time of year for sports at Bayfield.

Interviews for the two positions I mentioned at the committee meeting we are hoping will be done after Winter break so we can have coaches in place for Spring sports by Feb. 1st.

3-6 grade basketball will be going until the middle of February. 4 dates scheduled to compete in the Docker league at the fieldhouse/gym at Ashland High School.

Dr. Kutz and I have discussed setting up dates/times one month before each sports season for physicals to get done. I have noticed that this is a problem with getting physicals before the first practice so I am hoping this is a solution to that problem.

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is a time for public participation during the meeting as indicated in the agenda.
