Winter sports is at the halfway point and everything seems to be going along just fine.

Both the HS basketball teams are staying in the middle of the pack when it comes to the standings in our conference.

Middle School Volleyball has started the season 3-0 and the numbers for Coach Hanson and Garramone sit at 25. Very happy with the leadership they show as our MS coaches.

Ski team has around 5 athletes competing with Washburn and were supposed to have a meet yesterday at Ashwabay but haven't heard any results or if it even went off.

Elementary basketball is still competing in Saturday morning basketball over in Ashland and the kids are loving the competition and doing pretty good. Number with 4 teams is around 30.

Once basketball season comes to an end I will start looking into a Elementary Spring soccer program to be held in the gym until the weather gives us other options. Also conversations with Washburn and a co-op will be in full swing. I would like every athlete to have another option when it comes to what we offer here in Bayfield and Washburn seems to be the best option.

Interviewing tomorrow for a HS Track Coach and HS Assistant Baseball Coach.

Thanks  
Daryl
