Buildings and Grounds Report

Prepared by Joel Shilman

January/February 26

Buildings and Grounds

- Jan 8, CESA 10 conducted an environmental inspection of the LaPointe school to determine if there is any hazardous materials (asbestos, lead, etc.) I will attend a meeting on Jan 27th for results. The inspection revealed asbestos and lead paint are in the facility would be disturbed during the renovation process and therefore needs to be abated. The report and estimate are in Board Docs.
- Environmental inspection will be conducted at the Bayfield School in preparation for the upcoming construction.
- On Feb 2nd we discovered that one of the two boilers is leaking. Jamar has been contacted to assess and schedule a repair. I will provide an update once repair is made.

Transportation and Vehicles

- Provide transportation Athletic, field trips, student activity
- Scheduling Winter athletic transportation.
- Scheduling Swimming, skiing and Winter Camp transportation

Safety and Crisis Management

- Staff conducting door checks at the end of the day.
- Snow and ice removal has been difficult.

LaPointe School/ School District of Bayfield

- Fire drills complete
- I have secured 2 locations to store school supplies and furniture
- Packing of materials has begun with the goal of having the facility empty for construction start April 6th
- Planning for abatement and move to temporary location(Rec Center)
- Continued packing of materials within the school.
