

Agenda Item Details

Meeting	Apr 27, 2026 - School Board & Organizational Meeting - Revised
Category	5. Administrative Reports
Subject	5.8 Athletic Director Report
Type	Reports

Spring sports are in full swing but unfortunately due to the weather we have had to cancel one track meet in Superior and have lost two home baseball games due to field conditions. We are shooting for Thurs, April 23rd for our 1st home baseball game at 4:30. Middle school track competed in Ashland last week and has around 14 kids out with 4 meets scheduled.

Elementary soccer has been a success. Jeannie and Ruby are the leads on this Saturday morning program from 8:45am-12:15pm in the gym. Younger kids participate from 9-1030 and the older kids 1030-noon. They have been having around 20 kids per session. Once weather permits I imagine they will be taking the kids outside to continue their "skills and drills" training.

Summer league basketball for HS starts up in Ashland in the middle of June with the girls playing in a 8-team league for 6 weeks on Sundays and the boys doing the same but on Tuesdays. HS volleyball will also be participating in a league on Mondays at different schools around northern Wisconsin. With all the work that is going on during the summer time with the sprinkler system, etc I am hoping that these 3 sports can find one day during the week to be able to utilize the gym for instruction. Summer time contact with the student athletes just began last summer and to have this extra time during the offseason is important for their development.

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is a time for public participation during the meeting as indicated in the agenda.
