FILLING BOARD VACANCIES

If a vacancy occurs on the Board of Education, it shall be filled by an appointment made by the remaining members of the Board. Such appointee shall hold office until a successor is elected and takes office according to state law. The appointee's position is held until the first Board election following the vacancy. The successor will fill out the time remaining in the vacated position.

The person appointed to fill a Board vacancy must be a resident of the specific geographic area of representation in which the vacancy occurs (e.g., City of Bayfield).
