

SCHOOL DISTRICT OF BAYFIELD  
STUDENT CONDUCT

Students in the Bayfield School District shall be expected to act in such fashion that their behavior will reflect favorably on the individual student and on the school, will show respect for staff and other students, will create a harmonious school atmosphere and will build positive relationships between self and others. To accomplish this, each student must recognize individual responsibilities and obligations and discharge them in accordance with school-wide expectations and procedures. The district must help students become decision makers and critical thinkers, help students feel they can contribute to society, and enhance the students joy of learning.

Students are expected to abide by the code of conduct and behavior expectations as outlined in the student handbook, and/or as stated in the rules and regulations established by building principals for each school.

Student Nondiscrimination

The Bayfield School District does not discriminate against students on the basis of sex, race, color, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional or learning disability or handicap in its education programs or activities. Discrimination complaints shall be processed in accordance with established procedures.
