

SCHOOL DISTRICT OF BAYFIELD**BUDGET PLANNING**

The establishment of budget priorities and budget planning shall take place on a continual basis. Planning for the next year's budget should begin almost as soon as the current year's budget has been approved. The Board's role in budget planning shall be to consider and evaluate what is being proposed and to establish selected priorities to be included in the budget.

The main responsibility for budget planning shall rest with the District Administrator and District personnel.
