Back To School Open House

We're excited to welcome students and families as we kick off the 2026-2027 school year!

Elementary Students (K-5) are invited to stop by anytime **between 8:30 a.m. and 3:30 p.m.** to meet their teacher, explore their classroom, drop off school supplies, and become familiar with their learning environment before the first day of school.

Incoming 6th and 9th Grade Students are invited to participate in a special Transition Day from **8:25 a.m. to 12:45 p.m.** Bus transportation & lunch will be available. During this abbreviated school day, students will receive their class schedules, meet their teachers, locate classrooms, practice navigating the building, learn school routines and expectations, and become familiar with their learning spaces to help them feel confident and prepared for the first day of school.

New-to-the-District Middle and High School Students are encouraged to schedule an orientation **between 8:30 a.m. and 3:30 p.m.** before the start of the school year. This is a great opportunity to tour the building, become familiar with learning spaces, and have questions answered before classes begin. Families are asked to contact our Middle & High School Counselor, Brian Boyd, at bboyd@bayfield.k12.wi.us to schedule an orientation at a convenient time.

We look forward to welcoming everyone and helping students begin the school year feeling comfortable, prepared, and excited for the year ahead!
